

NEW!

DECREASE YOUR RISK OF CROSS-CONTAMINATION

Front-of-the-House – Blue

Back-of-the-House – Red

Makes Your Life Easier!®

Germs can easily spread when the same cleaning tool is used in multiple areas. O-Cedar Commercial's new **Color-Coded Safety Stations** make it easy to distinguish which cleaning tools to use in the **Front-of-the-House** and the **Back-of-the-House** to help meet stringent HACCP standards. Decreasing the risk of cross-contamination makes your environment healthier and safer for your customers and your employees.

Front-of-the-House

Customer Area

O-Cedar Commercial's NEW Color-Coded Safety Stations

Front-of-the-House – Blue

MaxiClean™ Mop Bucket & Wringer with Divided Well – Blue (#6978)

Separates clean and dirty water for cleaner mopping

Quick Change™ Mopstick-Blue Metal Handle (#6517)

Vinyl metal handle reduces spread of bacteria; one-handed trigger release discards mophead without touching it

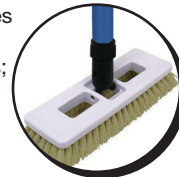

MaxiClean™ Loop-End Mophead, Large – Blue (#97157)

Fantail mop covers larger area; no fraying or raveling of ends; blue keeps mop looking new

Swivel Scrub Brush (#96073)

Washable bristles prevent the spread of germs; swivels in any direction to easily clean confined areas

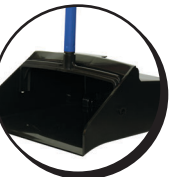

Large Angle Broom, Flagged – All Blue (#6401-6)

Washable flagged bristles sweep fine particles and prevent the spread of germs

MaxiClean™ Lobby Dust Pan with Rear Wheels – Blue Handle (#96207)

Color-coded handle minimizes risk of cross-contamination

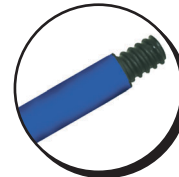

18" Moss Rubber Sanitary Floor Squeegee (#96820)

Easy to sanitize plastic housing reduces spread of bacteria; moss rubber leaves floor dry to the touch

60" Threaded Firm-Grip™ Metal Handle – Blue (#7161)

Metal handle reduces the spread of bacteria; use with #96073 and #96820

Back-of-the-House – Red

MaxiClean™ Mop Bucket & Wringer with Divided Well – Red (#6979)

Separates clean and dirty water for cleaner mopping

Quick Change™ Mopstick-Red Metal Handle (#6518)

Vinyl metal handle reduces spread of bacteria; one-handed trigger release discards mophead without touching it

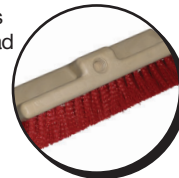

Cotton Loop-End Mophead, Large – White (#97413)

Fantail mop covers larger area; no fraying or raveling of ends

Bi-Level Scrub Brush (#96619)

Washable bristles prevent the spread of germs; scrubs baseboards and floors with one stroke

Large Angle Broom, Unflagged – All Red (#6403-6)

Washable unflagged bristles prevent grease & grime from matting ends together

MaxiClean™ Lobby Dust Pan with Rear Wheels – Red Handle (#96206)

Color-coded handle minimizes risk of cross-contamination

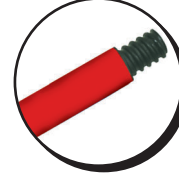

18" Moss Rubber Sanitary Floor Squeegee (#96820)

Easy to sanitize plastic housing reduces spread of bacteria; moss rubber leaves floor dry to the touch

60" Threaded Firm-Grip™ Metal Handle – Red (#7162)

Metal handle reduces the spread of bacteria; use with #96619 and #96820
