

Premeasured Products Comparison Guide

QUIK TANK

Compare Selection & Performance

Unmatched selection...premeasured solutions for the entire facility.

Peak performance...professional-grade cleaning liquids and powders, innovatively packaged in premeasured packs.

- **Color Coding** - Makes proper identification and staff training easier.
- **Easy Training** - No complicated instructions, just add one color-coded pack to water and that's it for predictable, consistent results.
- **No Special Equipment** - Eliminate complicated, trouble-prone dispensing machines.
- **Low Entry Cost** - No costly set-up or capital investment means you can get started right away.
