**VECTAIR**  
SYSTEMS

A modern office workstation featuring a light-colored, curved desk. On the desk, there is a computer monitor displaying a web application, a keyboard, a mouse, a printer, and a mobile phone on a stand. A black ergonomic office chair is positioned in front of the desk. In the foreground, another desk with a keyboard and a pen holder is visible. The background shows a white wall with a light switch and a tall, narrow shelving unit.

# BURSTS OF FRAGRANCE

*"We are technological innovators in the hygiene world. We take pride in the quality and design that is invested in our products. We want to make your lives easier, with systems that work for you. And we want to make sure that they last."*

**Vectair Systems Inc.**

The Vectair Micro Airoma™ is an automatic fragrance dispenser that is designed to ensure facilities smell fresh and clean.

The Vectair Micro Airoma™ automatically delivers small bursts of fragrance at specific intervals in order to keep odors at bay.

With a compact and modern design the Vectair Micro Airoma™ works in a variety of locations with the minimum amount of disruption to surroundings.

## FULLY PROGRAMMABLE

The Vectair Micro Airoma™ dispenser provides flexible and easy to use programming options, such as start and end time.

The patented I.P.E™ system means you can fix costs, and match fragrance delivery and odor control to your exact location conditions.

You can programme up to 3 periods per day of enhanced fragrance delivery, at known busy periods.

Vectair offers a unique private labeling facility so you can display your own logo on each Vectair Micro Airoma™ dispenser.

## CONSISTENT PERFORMANCE

The Vectair Micro Airoma™ dispenser is effective in facilities that are up to 6,000 cubic feet in size.

A patented automatic reset button removes the risk of human error between services.

A visible countdown clock shows the time until the next spray and confirms the unit is working.

A rental button (30-120 days) enables fast programming for service companies to meet their service pattern.

Lockable dispensers keep refills safe and secure.
