

VECTAIR FEMCARE™

ANTIMICROBIAL TREATED LINERS
FOR USE IN SANITARY DISPOSAL SYSTEMS

Features and Benefits

- The first feminine hygiene waste liner to incorporate Biomaster® silver ion protection and odor eliminating technology. Biomaster® is an EPA and FDA approved antimicrobial additive.
- Cost effective - Removes requirement to buy a plastic liner and separate secondary product.
- Biomaster® provides round the clock protection against microbial build up, giving safe, effective and permanent antimicrobial protection to the liner against degradation.
- Odor eliminating technology inside the liner ensures bad smells are eradicated while also providing a pleasant fragrance.
- Labor and time saving - eliminates on site labor cost and valuable time to manually add an odor reducing technology.
- Heavy duty liner, made from strong LDPE – reduces risks of splits or breakages.
- Designed to fit most sanitary disposal systems.

Stylish. Subtle. Safe.
