www.airspencerusa.com

At Air Spencer USA™, our refills are manufactured in Japan by the most advanced air freshener manufacturing facility in the world, known for their highest quality plant based natural fragrances using unique **Earth-Essence™** formulas.

They research thousands of naturally occurring plant fragrances to create their line of emotional aromas which are then dispersed into the air using fan and scented vapor systems.

We capture nature's essence and deliver it to you, for just in time inventory control to ensure the highest freshness for commercial application.

Introduces

The Pod System

Refresh and purify the air with exclusive Earth Essence™ natural fragrances

PeePod™

Cleans, deodorizes and restores the drainage of urinals

The patented design puts the PeePod™ at the top of the urinal where it can work most efficiently. With each flush, clean water safely activates the powerful cleaning agent "AS-ESA" and release a fresh fragrance throughout the restroom.

- **7 Seconds** to install into urinal
- **7 Minutes** and whole restroom is refreshed
- **7 days** and **90%** of urinal odors eliminated
- **10 months** for cleaner pipes

PeePod™ is battery free and eliminates the need for urinal blocks and other cleaners so it is more environmentally friendly.

The Pod System FanPod™

FanPod™ Auto uses innovative technology to switch the air freshener on or off with the flick of the restroom lights. When the light goes out, the built in sensor automatically turns the fan off.

This saves battery life and moderates fragrance refill evaporation, thereby making it economical and more environmentally friendly.

FanPod™ Programmable
(Battery last up to 12 months and refills last up to 60 days!)

FanPod™ Programmable works with a built in timer that allows you to program it to run for 5 or 7 days each week. It turns the fan on or off according to your desired time and schedule.

Switch it to run for 8 hours per day, 5 days per week, and the FanPod™ Programmable will allow the refill to last 60 days and will run up to 12 months with 2 alkaline batteries!

DoorPod™

Earth friendly door mounted air freshener with recyclable refills

DoorPod™ refreshes the room by simply swinging the door. DoorPod™ catches the breeze and releases the fresh Earth Essence™ natural fragrances out through the vented dispenser.

- **7 Seconds** to install on door
- **No Tape or screws required**
- **7 Minutes** and whole restroom is refreshed
- Lasts up to **30 days**
- Verry Berry & Sweetest Pea - 100% recyclable.

DoorPod™ was invented for Eco-friendly operation. Since it uses no batteries, it is better for the environment.

New DoorPod fragrance
(Santa Barbara Sea Breeze, Mango and Golden Tuscan Citrus!)
