CUSTOMIZE YOUR OWN MAT						
Custom Cuts of Length Only without Edging (Calculate as length in feet × the linear foot cost below)					Customized Mat Pricing: 1) Determine if your mat will be one of the Exact Widths on the previous page. Dura-Dot™ Mats can be produced in even inch increments only. 2) If not an Exact Width, round the width up to the next standard width in the Custom Cuts of both Length and Width without Edging section. 3) Multiply the mat length, with partial-foot lengths rounded up to the next whole foot, by the linear foot cost appropriate for the width, to get the material cost. 4) If edging is desired, determine the total linear feet of the sides to be edged. Multiply by the cost of the appropriate type of edging to get the edging cost. 5) Add the material and edging costs to get the total mat price. These products should be installed and not used for loose-lay applications unless all exposed sides where traffic can cross are finished. Uninstalled or unnosed, loose-lay applications will void the warranty. Installation can be made with two-way tape, releasable adhesive, or by professional installation.	
Partial-foot lengths are rounded up to the next linear foot. Custom sizes are not available in partial-inch increments.

IMAGE PRODUCTS ONLINE / REQUEST A QUOTE:

Obtaining a quote online is as easy as 1-2-3:

1. Go to www.CrownMats.com and click on Image Products/Request a Quote.
2. Select the process you need: Flocked Mat, Graphic Inlay, Embossed Anti-Fatigue Mat, Jet-Print™, Hi-Definition Jet-Print™ Vinyl-Backed Mat, Super-Soaker™ Inlay, Crown-Tred™ Printed Mat, or Vinyl-Link™.
3. Follow the instructions by process. We suggest you also submit your artwork at that time for an actual quote. A quote will be back to you within 48 hours.

Below is a list of different types of artwork. Each is classified as acceptable, unacceptable, or marginal. If we are unable to use marginal artwork, we will advise the person who placed the order to supply us with different materials. Please try to provide the best possible artwork on the initial request, as this will expedite the process.

• Acceptable: Vector-based digital files in PC format: .cdr**, .eps**, .ai, or .pdf; digital files in .jpg format of 600 dpi or higher; black and white ad slicks; and letterheads.

• Marginal: Color prints*, detail files in .tif format, yellow page ads, business cards, and newspaper ads.

• Unacceptable: Faxes, emblems or copies of emblems, banners, flags, and digital files in .gif, .dxf, or .bmp formats.

** .cdr or .eps files are preferred.

* Color prints, if available, can be submitted to show color placement for design.

Variances: Mat sizes are not always an exact measurement and typically have a 3-5% variance due to the material and manufacturing process. Colors may not be an exact match of previous orders.

Products and their related details are subject to change. Please contact our Customer Service Department to obtain current information.

Payment Terms:

1% / 10 net 30 for approved accounts. Accounts 15 days past due may be placed on credit hold.

Pricing:

Prices are subject to change without notice. Every effort will be made to announce price changes in advance. In the event a customer is not aware of a price change, notification will be made before the order is filled.

Minimum Charge:

A \$10.00 service charge will be added to orders equaling less than \$100.00 net.

Order Confirmation:

Crown takes great care to enter customer orders with the highest accuracy. However, due to the nature of faxed orders, a letter or number can be altered during the faxing process to clearly resemble another. Crown's ordering components of feet, inches, color, logo, etc., if altered, can cause an incorrect size or color to be ordered. To ensure proper items are ordered, Crown faxes/emails order confirmations back to the customer to check for accuracy. If there is an error, the Crown Customer Service Department should be contacted immediately at 800-628-5463 for correction. If an item has been received incorrectly and was confirmed by Crown, return freight charges and a 30% restocking fee will apply for stock items only. Custom, specialty, and discontinued items are not returnable.

Telephone Orders:

Crown will accept telephone orders. However, the customer is responsible for the accuracy of the order. To ensure proper items are ordered, Crown will fax/email an order confirmation to check for accuracy. If there is an error, the Crown Customer Service Department should be contacted immediately at 800-628-5463 for correction. If an item has been received incorrectly and was confirmed by Crown, return freight charges and a 30% restocking fee will apply for stock items only. Custom, specialty, and discontinued items are not returnable.

Cancellations:

Order cancellations are only accepted in writing prior to shipment via fax at 800-544-2806 or 419-332-4180. Due to the made-to-order specifications of custom products, cancellation must occur within 24 hours of order placement. Cancellations on custom products after 24 hours will not be accepted. Stock items that are cancelled after shipment are subject to a 30% restocking fee and freight paid by the customer. Completed or in-process special orders are not cancelable.

Acceptable Delivery:

Special orders and custom-made products are subject to overruns. When placing an order for special/custom-made products, the customer is responsible to take all overruns.

Special Orders:

Special order or made-to-specification products, including custom-sized mats, are not returnable. Completed or in-process orders are not cancelable.

Freight:

All prices are F.O.B. Fremont, Ohio. FedEx Ground or UPS is used when possible. Common Carrier (truck) shipments are sent COLLECT. Customer-specified carriers must be clearly marked on the purchase order or stated when placing a verbal order. Unless specified, Crown will designate our carrier. Note: Shipping weights shown in our price list are approximate. These do not include pallet or carton weights.

Freight Damage:

It is critical to inspect and count all goods before accepting shipment. Do not refuse or return damaged goods to Crown as the carrier will not honor a freight claim when damaged goods have been moved from the location of original receipt. If carton is dented or torn, open and inspect the goods for damage. In most cases, the product is unharmed. If goods are damaged, note extent of the damage including if carton, shrink wrap or banding is not intact on the delivery bill before signing. Do not move the goods. Contact the carrier immediately to file a freight claim and schedule inspection. Keep original packaging. Whenever possible, it is recommended to take pictures of damaged goods.

If goods have concealed damage (where goods are damaged but the packaging is intact), contact the carrier immediately. Keep original packaging and do not move. Whenever possible, it is recommended to take pictures of damaged goods.

Shortages:

It is critical to inspect and count all goods before signing the delivery receipt. If goods are missing:

LTL Shipment – Note on the delivery receipt before signing the number of pieces missing and if carton/shrink wrap/banding is not intact. Contact the carrier immediately to file a freight claim.

Small Package – Occasionally packages get separated during transit. If remaining packages are not received within two days, call Crown Customer Service at 800-628-5463 to trace the shipment.

Note on the delivery receipt before signing the number of pieces missing and if carton/shrink wrap is not intact. If all packages were received and goods are missing, contact Crown Customer Service at 800-628-5463 to report shortage.

Special Services:

Freight Rates are based on the accuracy of the information provided when orders are placed. Additional fees may apply for other charges including appointments prior to delivery, lift gate services where carrier does not have access to loading dock or customer does not have tow motor, residential delivery, inside delivery, address corrections or various other accessororial services. Please review the order confirmation for accuracy. Failure to provide accurate delivery information could result in these fees being charged back to the customer.

Returned Goods:

No material will be accepted without prior authorization from the Crown Customer Service Department. Custom, specialty, or discontinued items are not returnable. Call Customer Service for further information about our Return Policy.

Restocking Charges:
