

The Complete Line of

CONVENTIONAL FLOOR PADS

EMERALD HIGH PERFORMANCE | 175-350 RPM
Labor saving. Cuts stripping time significantly

ULTRA HIGH PERFORMANCE STRIPPING PAD | 175-350 RPM
Economically priced high performance pad
Strips 20-25% more than black pads

BLACK STRIPPING | 175-350 RPM
For long lasting heavy duty stripping

BROWN DRY STRIP | 175-350 RPM
Fast uniform stripping wet or dry

GREEN SCRUBBING | 175-350 RPM
For wet heavy duty scrubbing

BLUE SCRUBBING | 175-350 RPM
For wet, medium duty scrubbing

RED SPRAY BUFFING/CLEANING | 175-350 RPM
For dry buffing, spray buffing or light duty scrubbing

40 RED POLISHING/CLEANING | 175-350 RPM
Softer and less aggressive than a red spray buff pad

TAN POLISHING | 175-350 RPM
Dry polishing on buffable, synthetic or natural finishes

WHITE POLISH | 175-350 RPM
Dry polishing or with fine water mist to enhance a higher gloss

BEST FOR:
Conventional all purpose
floor maintenance

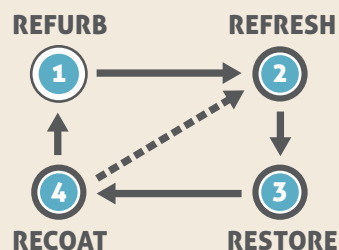

PERFORMANCE:
Resilient, long lasting, conforms
to the floor, and ease of use

EQUIPMENT:
175-350 RPM
