

A Longer Lasting Pad A Longer Lasting Shine

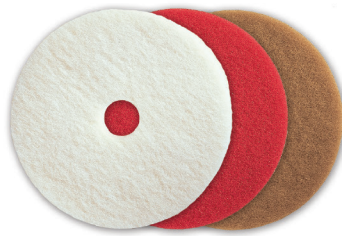

Mellow Mean™

Mellow Mean is a new and improved generation of melamine pads. It replaces traditional "all melamine soft pads" that tear easily, with a combination of the perfect web and melamine inserts. The pad lasts longer and works even better on shallow grouted floors. Mellow Mean does the work of three conventional pads:

VS.

The melamine inserts rub away soil and black marks without the use of chemicals.
