

THE COVERAGE PROGRAM

Total Solutions® Herbicides

Your competitor sells herbicides, why don't you? Start your herbicide campaign today with the confidence to know that the product you need is registered in the state that you need it to be. The coverage program makes it easy to decide which RTU, non-selective herbicide to sell to your customer and gives you a way to bring in new revenue this year.

- **BARREN™** is registered in this state.
- **VACATE™** is registered in this state.
- ▨ **BARREN™** may be subject to licensing or other considerations.
- ▨ **VACATE™** may be subject to licensing or other considerations.
