Customized Mat Pricing: 1) Determine if your mat will be one of the Exact Widths above. Dura-Dot™ Mats can be produced in even inch increments only. 2) If not an Exact Width, round the width up to the next standard width in the Custom Cuts of both Length and Width without Edging section. 3) Multiply the mat length, with partial-foot lengths rounded up to the next whole foot, by the linear foot cost appropriate for the width, to get the material cost. 4) If edging is desired, determine the total linear feet of the sides to be edged. Multiply by the cost of the appropriate type of edging to get the edging cost. 5) Add the material and edging costs to get the total mat price.

Ergo X-Treme™ On-Site Workstation Construction Built-in connectors secure Tiles to each other, and to Ramps, in two dimensions. To connect a Ramp to a female side of a workstation, use two 18" Connectors, above. Corners can be removed, on-site, at the provided score mark, for workstations larger than 36". All Ramps have female connections, and are 39" in length, two tile lengths plus a corner.						Sold in full cases of eight tiles only. Pre-assembled workstations have borders on both of the shorter-dimension sides, and one of the longer-dimension sides. Custom Mats can be ordered in sizes up to 9'x21'. Workstations can be produced in 1" increments, not including any optional yellow Custom Edging. Sizes are rounded up to the next full foot for billing purposes. Addition of Edging to a Custom Mat to any side increases the size of the mat by 3".

PROMOTIONAL MATTING LINE

GENERAL ORDERING NOTES:

DESIGN/SET-UP CHARGE: Includes our standard art and design services. If the artwork is complex, as determined by our art department or the design requires a font/typeface not in our system, a surcharge will be assessed. When possible, modifications will be suggested to keep the cost at the standard rate.

COPY CHANGES: After approval of the customer's proof, any copy, design or art change (no matter how "insignificant") will incur a full, initial design/set-up charge. Revisions to completed sketches during the proof process may incur a \$25.00 revision fee.

LOGO DESIGN/SET-UP: Logo design/set-up charges and sketch charges are non-discountable.

WRITTEN CONFIRMATION REQUIRED: No orders will go into production without a written confirmation.

REORDERS: Within 12 months of the last order, there is no set-up charge. Reorder after one year and the full design/set-up fee will be charged. There is no design or set-up charge for reorder of Super Berber, Jet-Print, Hi-Definition Jet-Print, Super-Soaker Inlay, Crown-Tred Printed, or Vinyl-Link mat orders.

RECESSED WELL AREAS: All recessed well areas must be fitted and installed on location. Exact size will not be guaranteed by factory when ordering for a recessed area. All tolerances still apply to special cut items.

ACCEPTABLE FILE FORMATS: .cdr, .ai, .eps, .pdf, and .jpg at 600 dpi minimum. Vector-based digital files in PC format at 600 dpi minimum. Most highly preferred formats are .cdr and .eps, other acceptable formats are .ai, .jpg, or .pdf. Less preferred formats are color prints*, detail files in .tif format, yellow page ads, business cards, or newspaper ads. (* Color prints, if available, can be submitted to show color placement for design)

UNACCEPTABLE FORMATS: MacIntosh files, .bmp, .sit, .gif, .dxf, MS Word, MS Excel, PowerPoint, Lotus, faxes, emblems or copies of emblems, banners and flags..

TOLERANCE: Mat sizes are not always an exact measurement and typically have a 3-5% variance due to the material and manufacturing process. Colors may not be an exact match of previous orders.

Terms and Conditions

Products and their related details are subject to change. Please contact our Customer Service Department to obtain current information.

Payment Terms:

Net 30 for approved accounts. Accounts 15 days past due may be placed on credit hold.

Pricing:

Prices are subject to change without notice. Every effort will be made to announce price changes in advance. In the event a customer is not aware of a price change, notification will be made before the order is filled.

Order Confirmation:

Crown takes great care to enter customer orders with the highest accuracy. However, due to the nature of faxed orders, a letter or number can be altered during the faxing process to clearly resemble another. Crown's ordering components of feet, inches, color, logo, etc., if altered, can cause an incorrect size or color to be ordered. To ensure proper items are ordered, Crown faxes/emails order confirmations back to the customer to check for accuracy. If there is an error, the Crown Customer Service Department should be contacted immediately at 800-628-5463 for correction. If an item has been received incorrectly and was confirmed by Crown, return freight charges and a 30% restocking fee will apply for stock items only. Custom, specialty, and discontinued items are not returnable.

Telephone Orders:

Crown will accept telephone orders. However, the customer is responsible for the accuracy of the order. To ensure proper items are ordered, Crown will fax/email an order confirmation to check for accuracy. If there is an error, the Crown Customer Service Department should be contacted immediately at 800-628-5463 for correction. If an item has been received incorrectly and was confirmed by Crown, return freight charges and a 30% restocking fee will apply for stock items only. Custom, specialty, and discontinued items are not returnable.

Cancellations:

Order cancellations are only accepted in writing prior to shipment via fax at 800-544-2806 or 419-332-4180. Due to the made-to-order specifications of custom products, cancellation must occur within 24 hours of order placement. Cancellations on custom products after 24 hours will not be accepted. Stock items that are cancelled after shipment are subject to a 30% restocking fee and freight paid by the customer. Completed or in-process special orders are not cancelable.

Acceptable Delivery:

Special orders and custom-made products are subject to overruns. When placing an order for special/custom-made products, the customer is responsible to take all overruns.

Special Orders:

Special order or made-to-specification products, including custom-sized mats, are not returnable. Completed or in-process orders are not cancelable.

Freight:

All prices are F.O.B. Factory. FedEx Ground or UPS is used when possible. Common Carrier (truck) shipments are sent COLLECT. Customer-specified carriers must be clearly marked on the purchase order or stated when placing a verbal order. Unless specified, Crown will designate our carrier. Note: Shipping weights shown in our price list are approximate. These do not include pallet or carton weights.

Freight Damage:

It is critical to inspect and count all goods before accepting shipment. Do not refuse or return damaged goods to Crown as the carrier will not honor a freight claim when damaged goods have been moved from the location of original receipt. If carton is dented or torn, open and inspect the goods for damage. In most cases, the product is unharmed. If goods are damaged, note extent of the damage including if carton, shrink wrap or banding is not intact on the delivery bill before signing. Do not move the goods. Contact the carrier immediately to file a freight claim and schedule inspection. Keep original packaging. Whenever possible, it is recommended to take pictures of damaged goods. If goods have concealed damage (where goods are damaged but the packaging is intact), contact the carrier immediately. Keep original packaging and do not move. Whenever possible, it is recommended to take pictures of damaged goods.

Shortages:

It is critical to inspect and count all goods before signing the delivery receipt. If goods are missing:

LTL Shipment – Note on the delivery receipt before signing the number of pieces missing and if carton/shrink wrap/banding is not intact. Contact the carrier immediately to file a freight claim.

Small Package – Occasionally packages get separated during transit. If remaining packages are not received within two days, call Crown Customer Service at 800-628-5463 to trace the shipment.

Note on the delivery receipt before signing the number of pieces missing and if carton/shrink wrap is not intact. If all packages were received and goods are missing, contact Crown Customer Service at 800-628-5463 to report shortage.

Special Services:

Freight Rates are based on the accuracy of the information provided when orders are placed. Additional fees may apply for other charges including appointments prior to delivery, lift gate services where carrier does not have access to loading dock or customer does not have tow motor, residential delivery, inside delivery, address corrections or various other accessorial services. Please review the order confirmation for accuracy. Failure to provide accurate delivery information could result in these fees being charged back to the customer.

Returned Goods:

No material will be accepted without prior authorization from the Crown Customer Service Department. Custom, specialty, or discontinued items are not returnable. Call Customer Service for further information about our Return Policy.

Restocking Charges:

A 30% restocking fee will be incurred for non-defective, standard returned products.

Colors:

Illustrations show approximate colors only. If critical, final color selection should be made from actual samples.

Limitation of Liability:

Customer acknowledges the price of Crown/Ludlow products is predicated on the enforceability of the following limitation of liability, that the price would be substantially higher if Ludlow could not limit its liability as herein provided and that customer accepts this limitation of liability in exchange for a lower price: Ludlow shall have no liability to customer for lost profits or any special, consequential, exemplary or incidental damages of any kind whether arising in contract, tort, product liability or any damages whatsoever in excess of actual price paid to Ludlow for the nonconforming or defective product. This limitation or liability may not be altered except by a duly authorized officer of Ludlow.

Warranty Policy:

Crown Matting Technologies warrants new products against defects in material and workmanship for one year. The obligation of this warranty is limited to the original user and to the replacement, repair or pro-rated refund of said product. Call customer service for further information about our Warranty Policy.

Custom Cut Mats:

Many Crown mats can be cut to special lengths and widths. Crown will produce these mats to a tolerance of +/- one inch of the customer-specified length or width. Full rolls of carpet do not have nosing on short ends unless specified by customer. If nosing is needed on short ends, custom cut pricing will apply.

Custom Cut Mats Cost:

Custom Length Only – Please refer to individual product price pages under Custom Cut column. All custom-length mats will have either nosing applied or factory borders unless otherwise specified. Typical up-charge will vary from 15% to 20% depending on product.

Custom Width or Custom Width and Length – Cost of rolls cut to custom widths (whether or not mat is also cut to special length) is calculated as follows:

Standard width × length × standard roll square foot cost = Standard Mat Cost

Standard Mat Cost x 1.25 = Final Cost
