

Pre-K through 5th Grade Hand Hygiene Program

Keeping Staff And Students Healthy

Nowhere is good hand hygiene more important to children than in the schools where they spend so much of their day. Thorough handwashing with soap and water or rubbing hands with sanitizer (when soap and water are not available), can cut absenteeism and prevent colds and flus. Health Guard has a complete offering of hand soaps and hand sanitizers in many wall mount and portable dispensing options.

DESIGNER SERIES WALL MOUNTED DISPENSERS

Manual Dispensers

SS001BK31 Black/black
SS001GR32 Gray/gray
SS001WH32 White/gray
SS001BK34* Black/chrome
SS001WH33 White/white
SL001KIDS Multi-color

- Top dispensing allows easy viewing, eliminating wasteful pushes
- Upper valve placement means no leaking valves
- Variable output capability (standard and low)
- Keyed Locking option (included)
- Made from durable plastic in six standard colors
- Large view window with easy-to-slide window card

No Touch M-Fit Dispensers

MS016BK31 Black/black
MS016GR32 Gray/gray
MS016WH32 White/gray
MS016BK34* Black/chrome
MS016WH33 White/white

- Use the same refills as the manual
- Powerful motor for quick dispensing and superior foaming
- Water-drop indicator lights up green when activated, red when batteries are low
- Motion sensor prevents random dispensing
- Sleep mode after 30 minutes of non-use extends battery life. Includes four C-size alkaline batteries for longer life, no tools necessary

"Addressing the spread of germs in schools is essential to the health of our youth and our schools. The most important thing that you can do to keep from getting sick is to wash your hands."

- Centers for Disease Control & Prevention

Available in Manual push and No Touch automatic options, our wall mount dispensers are designed to go anywhere (see Locator Map on opposite page)

NEW! Our Hand Sanitizer branded dispensers can help separate sanitizer from soap

SS001BK31HS Black/black Manual
SS001WH33HS White/white Manual
MS016WH33HS White/white No Touch

Wash away germs and boost school spirit... Customize your dispenser!

• Create your own window card

Design and print your own cards. Perforated card stock available to order, print out on any desktop printer and insert into dispenser window.

• Add your logo to the pad of the dispenser, either Manual or No Touch!

"Students who wash their hands at least four times a day will take 24% fewer sick days from colds and flu"

- Centers for Disease Control & Prevention
