

INTRODUCING

F-MATIC

Creating a New Generation of Premium Commercial Fragrance

2018 marks F-MATIC's 37th year as a leader in the fragrance industry. F-MATIC has long been recognized for our exceptional fragrances. We thank our reputation for helping us expand into an international supplier of superior fragrance janitorial, and sanitation supplies.

In recent years we have turned our focus to finding efficient, cost-effective, and environmentally conscious solutions to difficult janitorial and odor control challenges.

At F-MATIC, we are committed to innovation. We expect great things from ourselves and are excited to offer them to an expanding clientele.

What We Offer

The best to everyone

What We Offer

The Best to Everyone

4

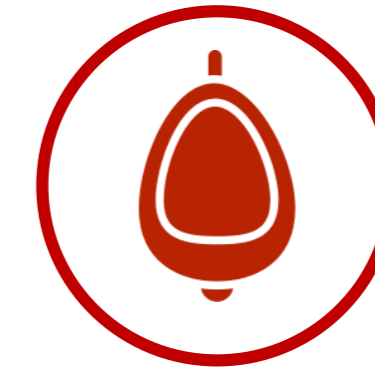

Premium Fragrance

We source our premium-grade fragrance oils from the UK so you know they're regulated by strict EU standards.

Air-Care

In addition to our renowned gels and sprays we offer passive air fresheners in 11 signature scents.

Restroom Fixture

Care

We have tools to help keep your fixtures clean, clear, and fresh-smelling.

Liquid Deodorizers

Whether you're neutralizing powerful odors or adding fragrance to your cleaning products, we have products to suit those needs.

In-House Manufacturing

We love the freedom, flexibility, and efficiency of producing our own products at our Lehi, Utah facility.

Private Labeling

Many of our most popular products may be private labeled to promote your business.

We Are Fragrance

Not gonna lie, it smells pretty good here.

5

Our 11 Signature Scents are a Delight to the Senses

Fragrance is an essential element in any space. Perfumes can conjure memories or stimulate emotional experiences, communicate cleanliness, or make guests feel comfortably at home. At F-MATIC we are passionate about dispensing authentic, evocative fragrances that satisfy the senses without overpowering. With over thirty-five years of experience in developing the industry's most celebrated scents, F-MATIC can confidently claim the title of The Scent Experts.

We invite you to explore your senses with F-MATIC's celebrated selection of signature scents. And with our manufacturing capabilities and scent expertise, we can also offer you the choice of handcrafting a unique scent just for you and your customers.

The Twist

A New Generation of Passive Air Freshener

6

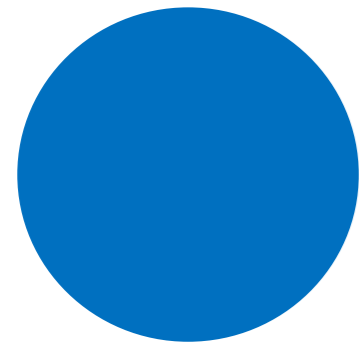

The Industry-leading, Battery-free Solution

F-MATIC stands apart in the industry as the leader in innovation. The Twist is the result of our commitment to forward-thinking design. It is an engineering feat featuring a liquid and wick fragrance system that provides sustained freshness for much longer than competing products. Both elegant and efficient, the Twist requires no batteries or fuel cells to infuse spaces up to 6,000 cubic feet with F-MATIC's famous fragrances.

The Twist

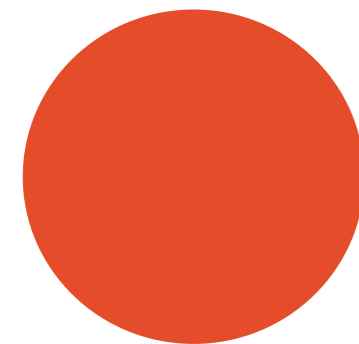

A New Fresh Scent Cartridge

7

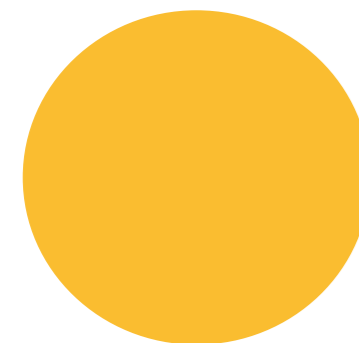

Spill-proof

Start to finish, our patent-pending twist & click activation is a breeze.

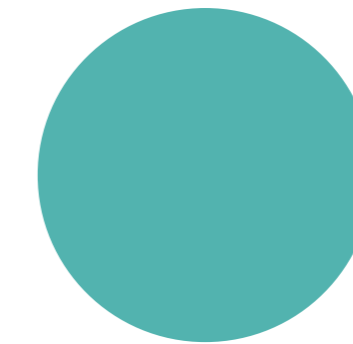

Eco-friendly

From the recyclable cartridge to the battery-free functionality, the Twist is the conscious choice for your air-care.

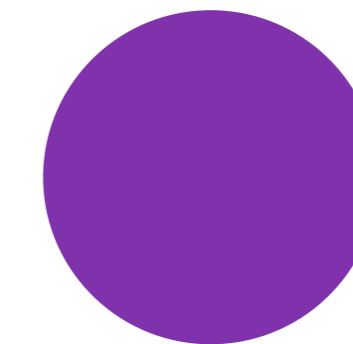

Neutralizes Odor

Our superior molecular odor-counteractant eliminates odors in up to 6,000 cubic feet.

Variety

Available in our 11 signature scents or we can make a custom fragrance just for you!

Flexibility

The Twist fits nicely in the F-MATIC Mini Dispenser or a number of competitors' dispensers for an easy transition to our premium fragrances

Premium Fragrance

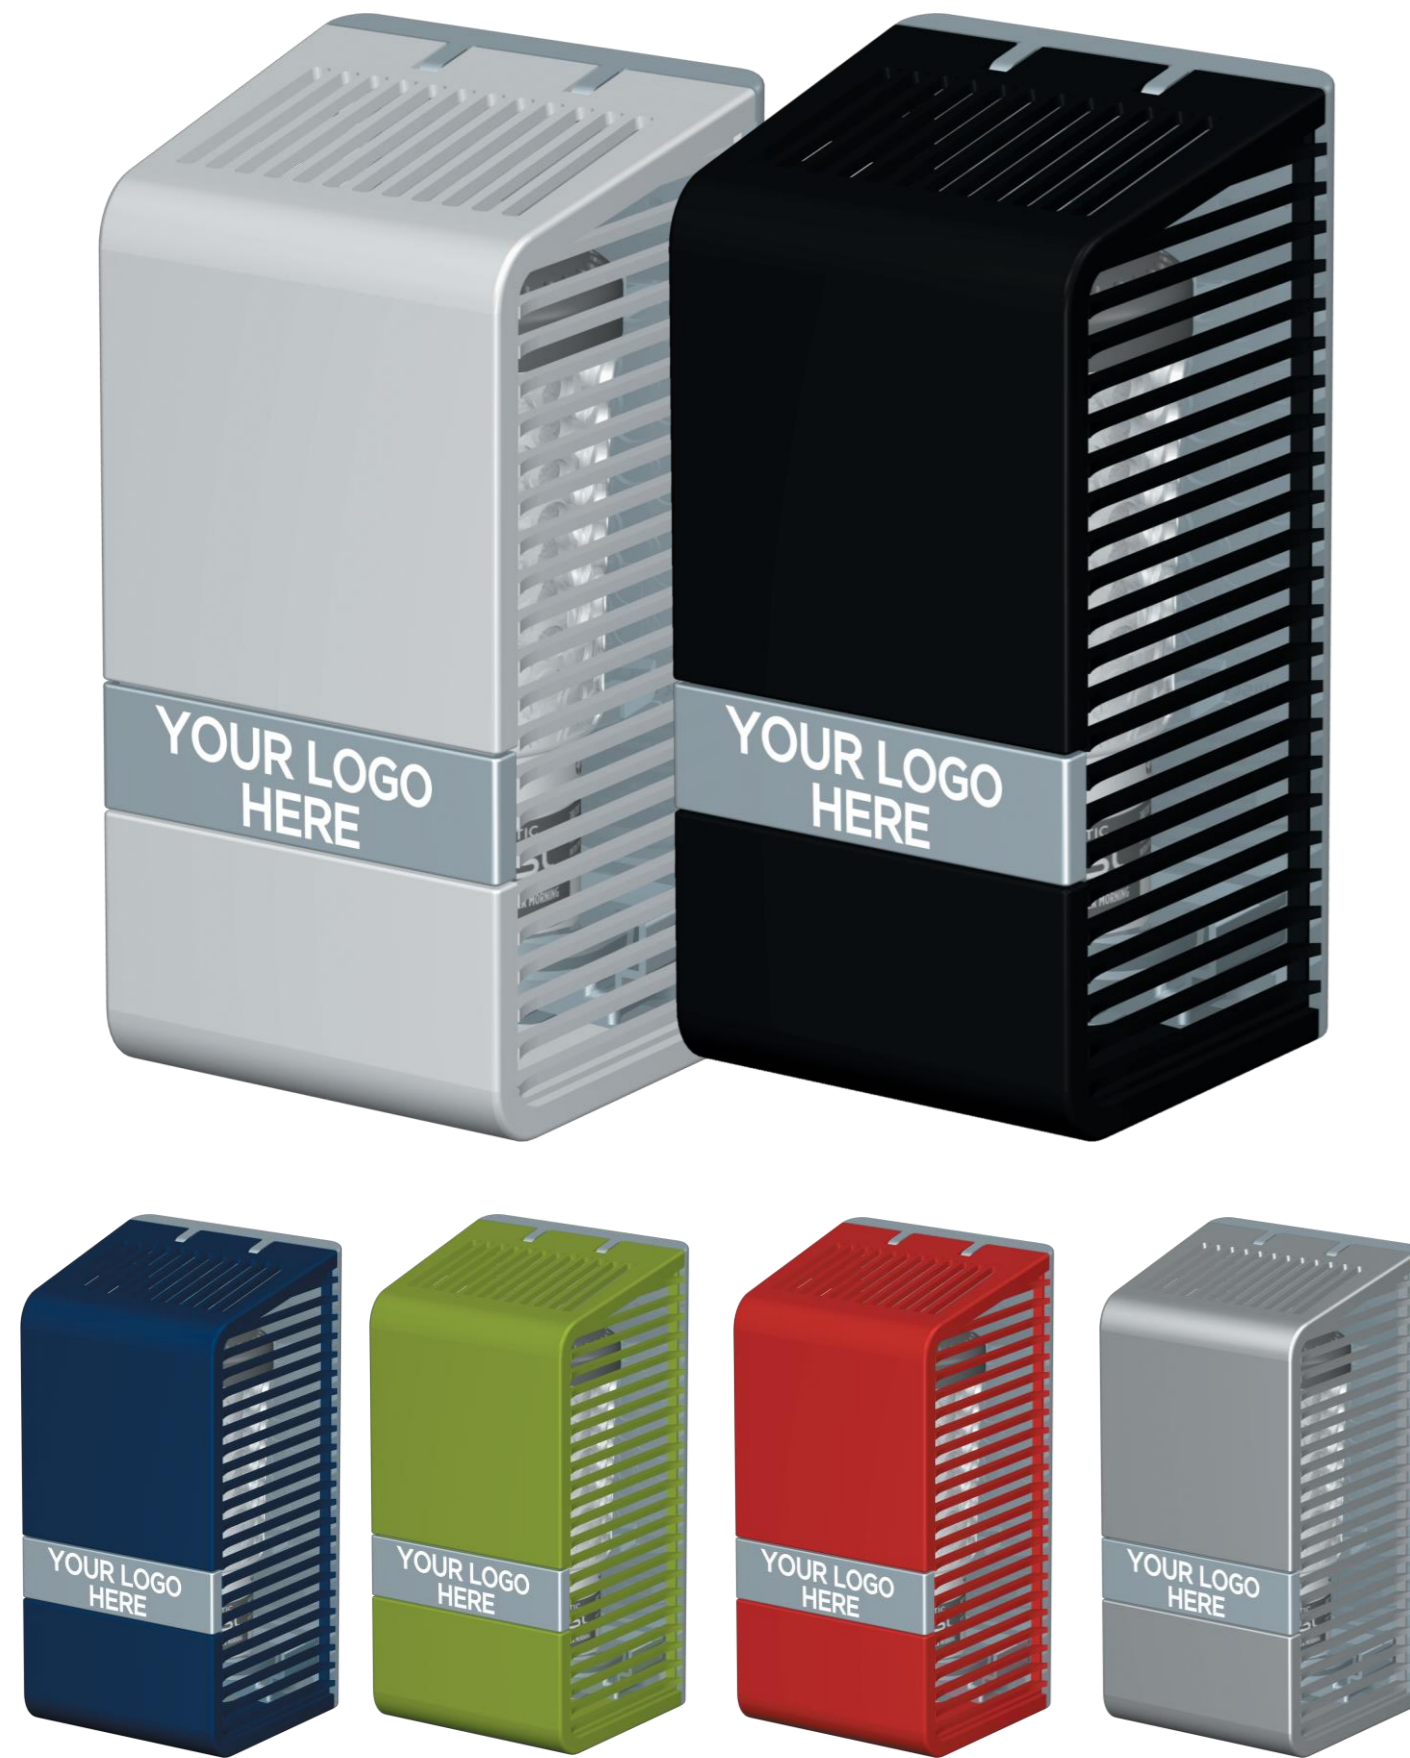

We source our fragrances from the UK, meaning they adhere to stringent EU environmental guidelines, are REACH-compliant and ready to be placed worldwide.

The Mini Passive Dispenser

Have it Your Way

8

Private Labeling & Custom Color

Keep your brand on customer's minds! We are happy to print your company's logo on the front clip of the Mini Dispenser. The minimal design lets your logo take center stage.

The Mini Passive Air Dispenser is stocked in black and white, but anything is possible with your imagination and our color-match system.

Ask us how we can customize the Mini just for you!

Restroom Fixture Care

Clean and Maintain your Fixtures

Toilet and Urinal Maintenance

Maintain sanitation between cleaning, stop odors at their source, and prevent clogged pipes. With these great F-MATIC products:

- OmniGuard combination urinal cleaner, descaler, and deodorizer
- Antibacterial Urinal Screens and easy-to-use odor neutralizing toilet bowl clips coordinate with many of our most popular Twist Fragrances
- Under-rim toilet bowl cleaner and deodorizer, OmniRing
- FreshSeat alcohol-based foam cleaner for safe and sanitary toilet seats

Private label these items and more with your logo! Call us for more information.

Liquid Deodorizers

Eliminate Odors at the Source

10

All-Natural Solutions to Offensive Odors

Before your space can smell F-MATIC fresh, you'll need to destroy the odors causing the issue. Our bio-enzymatic odor eliminators are the kid- and pet-friendly way to neutralize those smells.

Use BioFresh to remove stains as well as odor. Great for small jobs.

NutraOdor is effective in treating large-scale malodor. From body odor to skunk spray, this solution is powerful yet safe for use in any environment.

Efficiency and Flexibility

F-MATIC takes pride in developing new products and producing those products in-house at our facility in Utah. Through careful organization and strategic investment into manufacturing equipment, F-MATIC is able to increase efficiency of production, while also offering unique opportunities to our clients for private labeling, customized products, and flexible ordering.

In addition to R&D and custom fragrance creation, our in-house manufacturing capabilities include:

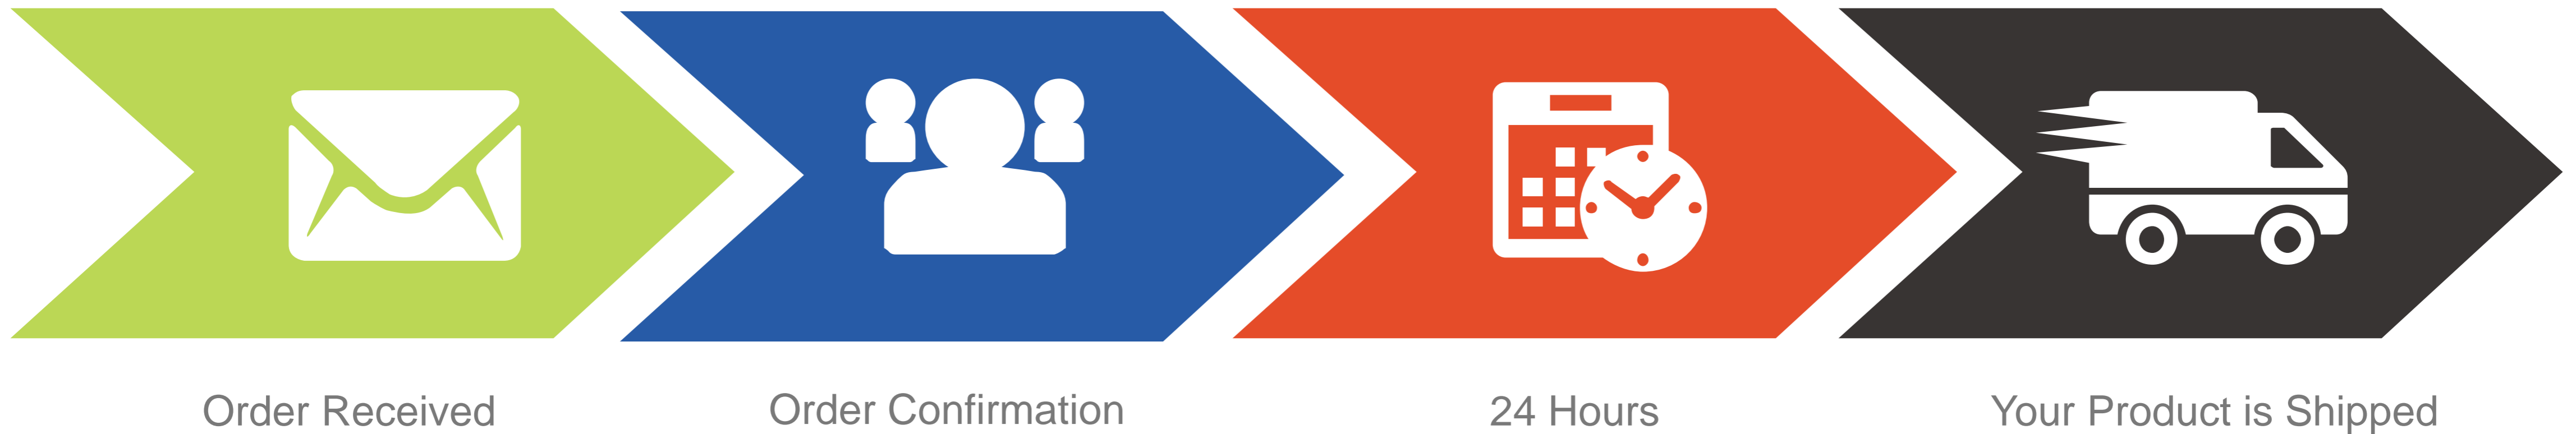

- Filling
- Sealing
- Capping
- Labeling
- Wrapping
- Shrink-sleeving

How to Place an Order

It's easy!

12

Internal Factors

F-MATIC has a diverse and dedicated team of employees to receive your order, package it, and get it out the door within our 24-hour window.* Once your order is placed by emailing orders@fmatic.com, our customer service team will return an order confirmation, enter your order, and send it to our fantastic shipping department. It is our goal to ship all order within 24 hours of order confirmation.

* Excludes special orders, custom labeling, and the occasional yet annoyingly unavoidable backorder.

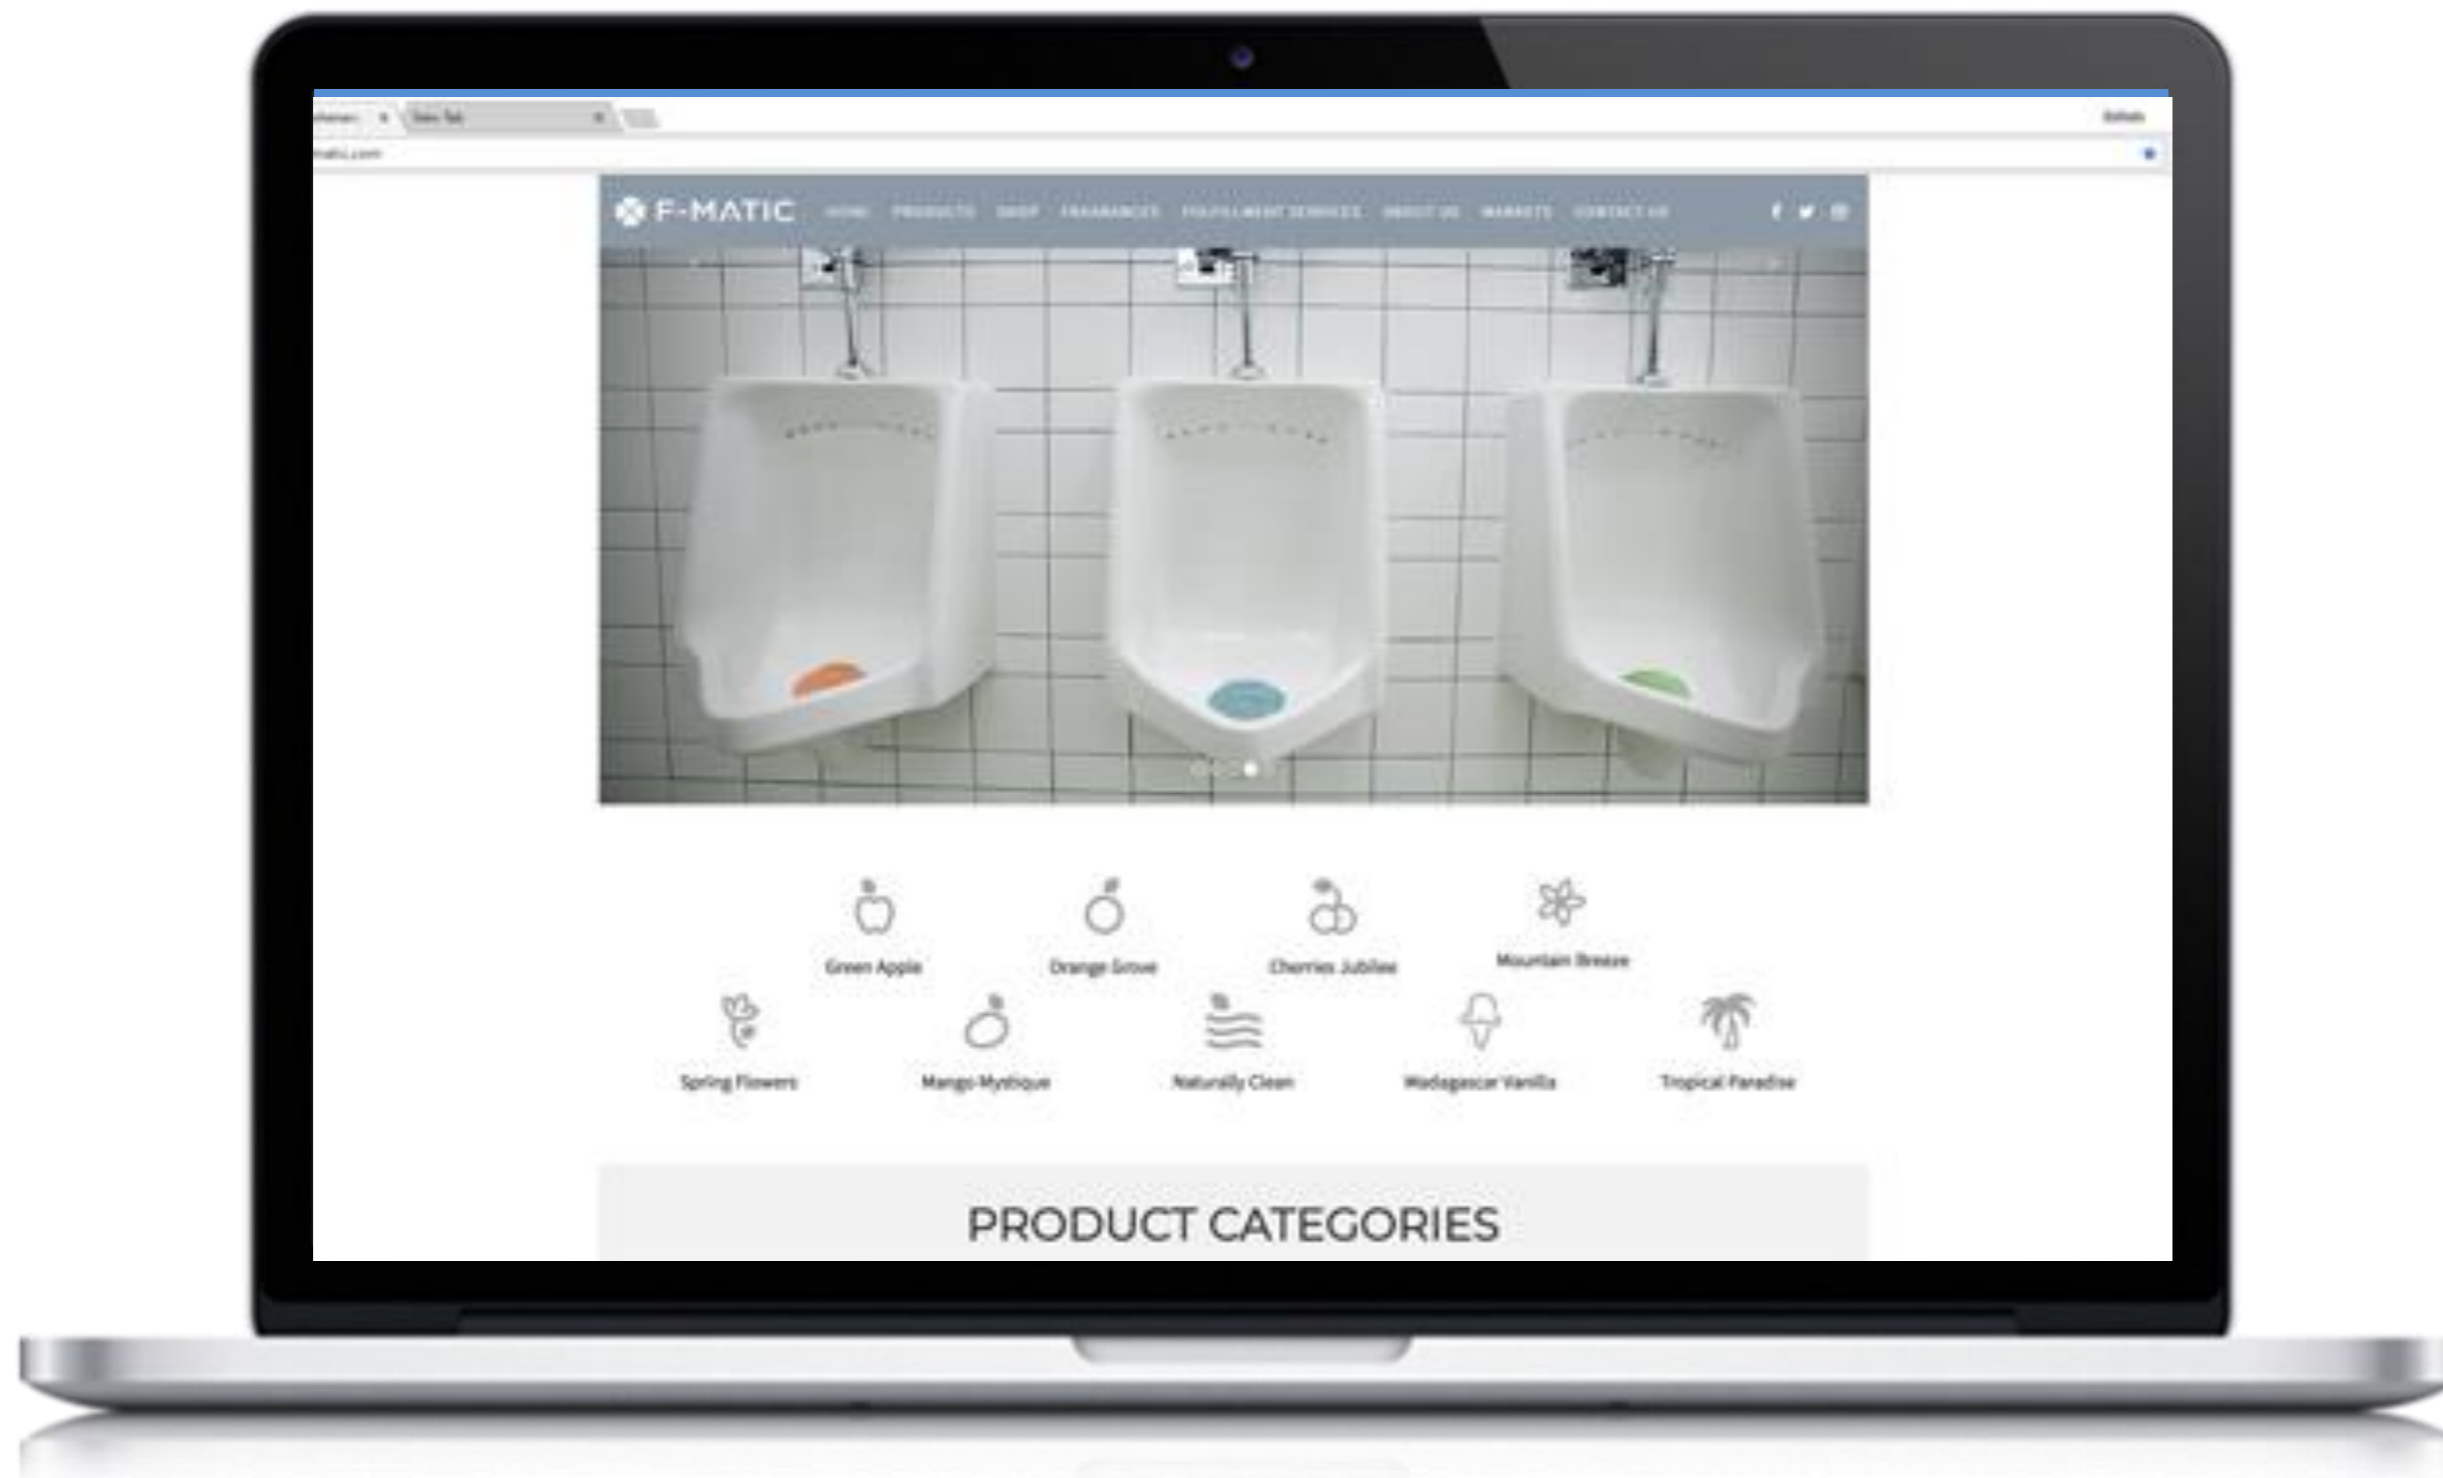

External Resources

We know you like having options. That's why we have contracted with a variety of shipping carriers to offer you the delivery option that suits you and your company the best. Whether freight or ground, we will work with you to get your order to you safely and efficiently.
