

Innovative Solutions for Foodservice Establishments

Choosing the right disposable towel for your cleaning and sanitizing needs is only the beginning. The Wiper Specialists® at MDI can:

- Identify the most practical and effective color-coding system
- Right-size towels for the task at hand
- Help select packaging to control usage, reduce waste, allow for portability, or improve storage
- Uncover opportunities to further reduce the risk of cross-contamination and deliver built-in training with customized towel or packaging messages
- Design a unique program customized to your needs

Let us help you take your process to the next level by creating a robust and cost-effective cleaning and sanitizing program.
