Dubble Scrubbe is a two-sided, non-woven hand pad. The white light-duty side is great for delicate surfaces that can scratch easily, such as Teflon®, Silverstone®, Plexiglas® or other sensitive surfaces. The green medium-duty side is great for scrubbing pots & pans or tough stains that need extra power.

This **Grill Cleaning Kit (GC-KIT)** includes grill cleaning pads and holder, grill cleaning liquid packs and a squeegee with a handle. The fast acting, mildly alkaline cleaner will quickly dissolve heavy grease build-up and baked-on carbon. It will not damage aluminum.

The grease & heat resistant **Griddle Squeegee (M10195)** helps remove griddle cleaner liquid and debris after cleaning is completed.

Our long handle **Griddle Pad Holder (GH16)** is manufactured with high heat-resistant resins, so it won't melt or burn. Its "gripping fingers" dig deep into the pad to hold pads firmly to the holder.

The ACS **Turbostrip™** Segmented Rotary Strip Pad features 24 polygonal segments with overlapped angular edges that bite into floor wax aggressively. The ultimate stripping pad! Achieves up to 5X faster wax removal than standard black strip pads.

Use with 175 – 300 RPM machines.

Cost effective floor maintenance is easy with just water and this dual purpose, clean & shine floor pad under a low speed or autoscrubber floor machine.

Low Speed Duala Clean & Shine Pad will take a dull floor and give its surface a clean, bright look, removing surface marks and buffing to a bright shine. Use with machines up to 1500 RPM.

High Speed Duala Clean & Shine Pad with its 2001 laminated pad construction is super strong to stop elongation at high speeds. High Speed Duala Clean & Shine Pad will take a dull, marred floor and give its surface a clean, bright shine while removing scuffs and surface marks. Use with machines above 1500 RPM.

Maroon FFP is a chemical-free stripping pad. Best used for dry stripping before coats and refinishing of wood/vinyl floor surfaces. Thin Line pads are 3/8" thick and are packed 10 per case.

Use with 175 – 350 RPM machines.

ACS Treleoni® Burnishing/Polishing pads (**Coconut, Aqua, Red 40D**) bring out the shine on floors with conventional speed equipment. They are also used for removing light scuff marks. Machine speeds range from 175 to 1000 plus RPM.

TrapMaster will not shed fibers like other sheet-type dusting products. It's ideal for Healthcare and Clean Room environments because it is disposable. Two widths and two lengths gives you four choices for best matching of your dust mopping equipment. Each roll is perforated in 6" segments to give you the control needed to match your usage.

Use **TrapMaster** as part of your standard mop assortment.
