MEDICAL WASTE CARTS

Clean To The Extreme

MEDICAL WASTE CARTS

Toter's latching medical waste carts are designed specifically for the healthcare industry, and provide a safe, secure method for collecting, moving and disposing of regulated medical waste. They feature smooth interior walls that are simple to clean and disinfect. They're available in multiple sizes, with or without caster wheels.

- Built-in 360-degree rubber gasket and Rugged Rim® ensure a tight closure and help reduce odors and spillage
- Compatible with mechanical lifters
- Smooth interior walls make it simple to clean and disinfect
- 2X weight handling capacity of similar carts
- Quiet-cap wheels reduce noise when moving carts

Available in 64- and 96-gallon sizes

| Part | Size | Dimensions (L x W x H) | Wheel Size | Load Rating |
|--------|------------|--------------------------|-----------------------|-------------------|
