

Flagged vs. Unflagged

Given the choice of flagged vs. unflagged bristles for your angle broom, which is the right option for you?

Smooth/Dry Surfaces - Use an angle broom with soft Feather Tip® or flagged bristles. Flagged PET bristles sweep the finest particles; great for front-of-the-house use in food service.

Rough/Wet Surfaces- Use an angle broom with stiff unflagged bristles. Unflagged PET bristles prevent ends from matting together; great for back-of-the-house in food service.

Flagged Bristle Benefits

- Bristles have splintered ends to pick up fine dust particles
- Use in dry environments to pick up granules, dust and other light debris
- Great for sweeping smooth surfaces
- Perfect for hallways, rooms and stairs

Unflagged Bristle Benefits

- Unflagged bristles have straight ends for sweeping up heavy debris
- Ends will not mat together, even while sweeping grease and grime
- Works best on rough or wet surfaces that require heavy sweeping
- Great for kitchens, freezers, bathrooms and sidewalks

Makes Your Life Easier!®

Our angle brooms are all constructed with PET fiber; benefits include:

- Waterproof; dries quickly
- Washable, long-lasting bristles will not wear down, break, or fall out like conventional broom bristles
