

Pro-Series® Wipers

Refillable Surface Wiping System

Protecting human health and safety has never been more of a priority. Per CDC guidance, a crucial aspect of reducing exposure to germs is routine cleaning and disinfecting of frequently touched surfaces.

Surface cleaning in high traffic institutional settings calls for generously-sized, Pristine® professional grade wipers to tackle large jobs efficiently and effectively. Pristine wipers can be paired with MDI charging buckets and your preferred **hydrogen peroxide-, alcohol-, or bleach-based sanitizer or disinfectant** RTU or dilution system to create custom saturated sanitation wipes.

Pristine disposable wipers help reduce the risk of cross-contamination associated with reusable microfiber, rags or rental towels. Engineered for cleanliness, strength and performance, Pristine wipers readily charge, and thoroughly release, chemical solutions to hard, non-porous surfaces while maintaining integrity and strength.

To create a customized soak & wipe system for cleaning, sanitizing or disinfecting, simply fill out and apply the supplied GHS-compliant label to the refillable charging bucket and place Pristine wipers inside. Prepare your preferred liquid chemical according to the manufacturer's instructions, pour it evenly over the wipers, and securely close the lid to prevent spills and keep contaminants out. The resulting portable surface wiping system creates access to a fresh, charged wiper for every task. After the last wiper is deployed just refill the bucket with wipers and the same chemical indicated on the label.

Pristine wipers are also an excellent option for use in dip & wipe open bucket sanitizing methods and spray & wipe procedures.

Customizable surface wiping systems from MDI are reusable to increase the life of the system and flexible to accommodate your unique sanitizing needs.

Super Rag® white wipers are now PRISTINE® WIPERS					
DISPENSING	PART #	DESCRIPTION	FORMAT	PALLETIZATION	CHARGING BUCKET
Quarterfolded wipers in Perf-Pak dispensing poly packs					
	93126	High Performance Grade	12" x 13" • 10 poly bags of 50 (500/case)	84 Cases TI/Hi: 7/12	40430 & 40431
	93142	Universal Grade	12" x 13" • 16 poly bags of 57 (912/case)	54 Cases TI/Hi: 9/6	
Quarterfolded wipers in reclosable dispenser boxes					
	93102	High Performance Grade	12" x 17" • 250 wipers per case	117 Cases TI/Hi: 13/9	40431
