

Why Box When You Can Bundle?

MDI Pro-Series® Pop-ups come in all of the essential wiper grades including performance, all-purpose and light duty. MDI bundles Pop-ups in heavy duty, recyclable shrink-wrap as an alternative to outer corrugated cartons. This innovative approach to packaging is part of our sustainable business practices to conserve natural resources and reduce waste and energy consumption.

At MDI we are proud to be **The Wiper Specialists®**. Our investments in innovative solutions are driven by a passion to operate sustainably, deliver industry-leading products and provide unparalleled service.
