# DISINFECTANT WIPES

## On-The-Go DISINFECTANT WIPE SINGLE PACKS

Keeping frequently-touched surfaces clean and disinfected is part of the new norm for protecting personal safety. While on the move, the unknown risk of pathogens lurking on surfaces can be a true cause for concern.

Be prepared on-the-go with PRO-SERIES® Disinfectant Wipes that are designed to clean, sanitize, and disinfect hard non-porous surfaces. Get the job done using this extra large, super strong, alcohol and bleach-free product that is included on EPA List N: disinfectants for effectiveness against SARS-CoV-2 (COVID-19).

These individually packaged disinfectant wipes come in high-barrier, heavy duty pouches that won't dry out, are durable to withstand rugged environments, and slim enough to fit in your pocket. Convenient 25-count dispensing boxes allow for placement in high-traffic areas and compact storage spaces including the supply closet, locker room, or service vehicle. Perfect for use in:

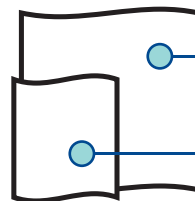

- Hospitals and clinics
- Nursing homes and assisted living
- Correctional facilities and security detail
- Schools and daycare centers
- Hospitality, transportation and entertainment properties
- Emergency vehicles and first responder kits
- Mobile service and repair vehicles

While away from the supply closet, be prepared for the unexpected and grab PRO-SERIES Disinfectant Wipe single packs for peace of mind no matter what you may encounter.

MDI is a WBENC-certified WBE and we proudly make the PRO-SERIES line of critical cleaning and disinfecting wipes in our US based, EPA registered, state-of-the-art manufacturing facility under an ISO 9001:2015 certified Quality Management System.
