

# Fight the Spread

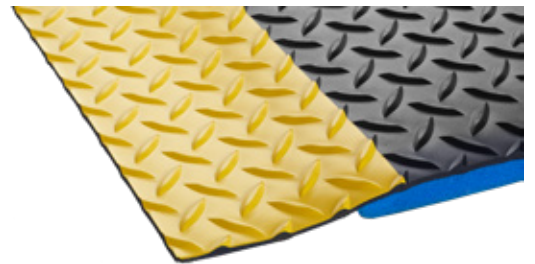

While taking proactive measures to clean facilities, it is essential to replace all mats to complete the task. Crown Matting Technologies offers a premium line of anti-fatigue matting solutions for both commercial and industrial environments complete with anti-microbial additives to help prevent the growth of mold, mildew, and bacteria.

**Comfort-King™**  
w/ Anti-Microbial

**Wear-Bond  
Comfort-King™**  
w/ Anti-Microbial

**Worker's -Delight™  
Deck Plate**  
w/ Anti-Microbial

## *The Zedlan™ Advantage*

Crown's patented Zedlan™ foam chemistry prevents the growth of mold, mildew, and bacteria while providing unmatched durability and comfort in dry office, commercial, and industrial workstations.
