

# Safety Starts with Vanguard

## Who We Are

Vanguard Safety is a privately-owned, high-quality PPE manufacturer. We are dedicated to providing customers with unmatched service, immediate response times and best in market fill rates. Quality is paramount. Our products are consistently and diligently monitored throughout the manufacturing process to ensure we meet your exacting standards. You need a product and supplier you can trust. We're here to create not only products, but relationships that last.

Vision with Values.

## Meet Our Team

Leverage our team's decades of experience to meet all of your PPE needs!

**Sheshank Kamalapuram (SK)**  
*Founder and CEO*

After 18 years in the disposable glove business, SK gained extensive knowledge in both the PPE world and its supply chain. He started Vanguard in 2018 to fulfill a dream of creating a business that was truly focused on quality product and always putting the customer first.

**Saji T. Daniel**  
*Chairman*

Saji started Tradex in 1988, a manufacturer of quality disposable gloves. The business grew rapidly, and he eventually sold to Cardinal Health in 2015. Saji believes in creating lasting and meaningful relationships not only with our customers, but with everyone involved in the Vanguard brand.

**Mike White**  
*SVP of Sales*

As a former member of the executive team at Safety Zone, Mike is no stranger to the PPE industry. Mike is a proven strategic leader in national account development, relationship building, and developing high performing sales teams.

# PRODUCT OFFERING

## Gloves Product Offering

### NITRILE SINGLE USE

#### Latex Free

Most popular disposable glove on the market. Effective protection against chemicals, abrasives and blood-borne pathogens. Strong, synthetic material is oil, grease and hydrocarbon resistant. Powder free, not made with natural rubber latex. Meets or exceeds 2.5% AQL.  
**Exam Grade** - protection against germs for healthcare applications.

SERIES NUMBER	DESCRIPTION	MIL THICKNESS	COLOR	GRAM WEIGHT	SIZE	QTY
A14C1	Powder Free Exam Grade	3.2	Blue	3.2	S-XL	10/200
A11A3		3.5	Black	3.5	S-XL	10/100
A11A1		3.5	Blue	3.5		
A18A1		4.0		4.0		
A16A1		5.0		4.5	S-XXL	
A16A3		5.0	Black	4.8	S-XL	
A19A3		7.0		6.8		
A1DH1*		8.7	Blue	10.3		10/50
A17A1	Powder Free Industrial	4.0	Blue	4.0	S-XL	10/100
A1AA2		6.0	Blue	5.8		
A1AA6		6.0	Orange	5.8	S-XXL	

\*Extended cuff

### HYBRID EVA SINGLE USE

#### High Volume

Low-cost alternative for short-term use, or applications requiring frequent glove changes. Recommended for foodservice, food processing and light-duty cleaning.

SERIES NUMBER	DESCRIPTION	MIL THICKNESS	COLOR	GRAM WEIGHT	SIZE	QTY
A63C1	Embossed Powder Free Industrial	4.0	Clear	2.2	S-XL	10/200

### INSPECTION GLOVES

#### Inspection And Manufacturing

Keep fingerprints and smudges off your sensitive parts or materials. Low-linting material ensures particles are not left on workpieces. Use for inspection or light manufacturing.

**Inspection** - 100% cotton. **Liner** - Form-fitting polyester

SERIES NUMBER	DESCRIPTION	WEIGHT	GAUGE	COLOR	GRAM WEIGHT*	SIZE	QTY
SKVG700M	Cotton Inspection	Light	N/A	White	110	Men's	12/100
SKVG701LG	Polyester Liner		13		N/A	Large	12/12

\*Gram weight per dozen gloves

### VINYL SINGLE USE

#### Economical

Polyvinyl Chloride (PVC) is an economical choice for food service, food processing and light duty maintenance. Lower level resistance to abrasions, cuts and punctures than Nitrile or Latex. Latex and allergy free.

**Exam Grade** - protection against pathogens for healthcare applications.

SERIES NUMBER	DESCRIPTION	MIL THICKNESS	COLOR	GRAM WEIGHT	SIZE	QTY
A21A1	Powder Free	4.0	Clear	5.0	S-XL	10/100
