RE: PRO-SERIES® Disinfectant Wipes Kill Mpox (Monkeypox) Virus in 1 Minute

Dear Valued MDI Partner:

We are pleased to share that disinfectant wipe Reg #1839-190 has demonstrated effectiveness against viruses similar to Mpox virus on hard non-porous surfaces. Under the EPA's Emerging Viral Pathogens (EVP) policy, when used in accordance with the directions for use against Human Rotavirus (ATCC VR-2018), this product will kill the Mpox virus on hard non-porous surfaces in 1 minute. This 1-minute efficacy claim applies to MDI's *PRO-SERIES Disinfectant Wipes* (Reg #1839-190-69463) that are available in 600- and 800-count high-capacity rolls for healthcare and industrial use.

For additional information about Mpox, [click here](#) to be taken to the CDC website. Please do not hesitate to contact us at 800-333-0900 for product availability or if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Carolyn Dennis". The signature is written in a cursive, flowing style.
