

# SURFACE DISINFECTANT WIPES

## Professional Grade EPA-Registered Disinfectant Wipes

- Kills 99.9% of Bacteria in just 15 Seconds\*\*
- Kills SARS-CoV-2 (COVID-19 virus) on hard non-porous surfaces in just 30 seconds
- Kills Monkeypox on hard non-porous surfaces in 1 minute\*\*\*
- Broad spectrum, quat-based formulation (alcohol and bleach free)
- Use for sanitizing hard non-porous surfaces followed by a potable water rinse for direct food contact surfaces
- Utilize 800-count jumbo roll format for compatibility with standard stationary dispensing systems
- Make the switch from throw-away canisters! **Just one** 600-count roll in our reusable mobile dispenser system replaces **eight** 75-count canisters

MDI is a WBENC-certified WBE and we proudly make the PRO-SERIES line of critical cleaning and disinfecting wipes in our US-based, EPA-registered, state-of-the-art manufacturing facility under an ISO 9001:2015 certified Quality Management System.
